It's been roughly two months since the "top star disappearance"
of Jung Yu Shin that turned the entertainment upside-down
Fans are anxiously waiting for news that Jung Yu Shin is okay, but TM
Entertainment has yet to respond and has remained silent through this ordeal

Due to his unusually long disappearance, there are rumors
that his agency might have planned this event beforehand as bait to cover up
the recent scandalthat is suspected to involve Jung Yu Shin

Rather than busily brib ng people to try and hide the supposedly false accusations,
officials should be devoting their time to finding him

Why is it always like this ...What's the point of trying to cover up their violence scandals with these tricks?

ThatsMyScene
Yu Shin~ This is enough. Stop embarrassing yourself and give yourself up if you want a bright future. Kekeke

Talk
Again~ It's happening again~ Another thread filled with nerdy fanatics

Talk
Kids these days think ng that they can just get their agencies to have them runaway to cover up stuff

Talk
To think that people would actually do something like this ...That's messed up

Talk
Has his agency g ven up trying to find him? '_ Why have they been so quiet? This is really strange

Talk
Seriously, which island did he escape to for him not to be found already?
For someone so famous ...who wouldn't recognize him if they were trying to find him

NightGogcmc
Maybe he's on a shrimping boat? OMG lol
